Four Colorful Years

Foreword

For the year 1965-1966 the NORDAHI Staff has chosen as its theme: "Four Colorful Years at North Davidson High School." These were years spent in diligent study; years that passed like brief hours in comparison with our life span; years filled with joys and sorrows, hopes and fears. The purpose of this book is to retain in tangible form memories of experiences and friendships acquired during these years. Moreover, it is to depict not merely the everyday happenings of work and play during the year 1965-1966, but also the colorful events that surrounded individuals. Seniors will long cherish the silver of new friendships, the gold of old friendships; and they will always remember with tears and smiles the COLORFUL years spent at North Davidson High School.

Color Guard: FIRST ROW--J. Smith, J. Edwards, M. Wagner, and L. Wagner. SECOND ROW--S. Reid, K. Rector, K. Spangler, P. Everhart, R. Everhart, J. Speaks, and D. Zimmerman.

Our Alma Mater

Hail to thee, our Alma Mater,

We will ever love you dear.

In our hearts we'll always cherish

Memories of yesteryear.

May our Black Knights rise to glory,

Ever keep our standards high.

Faithful we will be forever,

Hail to thee, North Davidson High.

Displaying the high scholastic ability of the North Davidson High School students are Ray Brinkley, Judy Leonard, and David Nifong as they participated on the High Point tele-

vision Classroom Kwiz Show. After defeating Thomasville Senior High School and Stoneville High School, these students returned home victorious with two trophies.

Athletes and Scholars Made

Just the right amount of chemicals are properly mixed to enable Randy Vaughn, David Weaver, Andrew Weavil, and Mike Robbins to solve their scientific problems.

Vickie Wood, Suzanne Hege, Phil Berrier, Greg Berrier, and Brenda Ward discover that working on the yearbook can be fun as well as work.

It is an exciting moment that stretches into a long evening, when Wagner boards the bus to begin a long ride to Dobson for the 2-A regional championship playoffs.

"Practice makes perfect" or so say the North Davidson girls' basketball team as they begin working hard for another championship title.

Our Opponents Green with Envy.

Once again the referee's hands go up to indicate another touchdown for the North Davidson J.V. football team.

Somber Thoughts and Iridescent

Dreams Influenced Each Student's Life

"The true purpose of education is to cherish and unfold the seed of immortality already sown within us; to develop, to their fullest extent, the capacities of every kind with which the God who made us has endowed us."

These words, spoken by Mrs. Jameson, could well be applied to North Davidson High School during the year 1965-1966. Through active participation in class work, athletics, clubs, and organizations, students gained valuable knowledge and experience that enabled them to develop in a fourfold manner--mentally, physically, socially, and spiritually.

The Gray Haze of Late Summer Merged

A typical school day always begins with a friendly smile and an armful of books.

F.F.A. initiation is entertaining, not only for the members but also for the student body, who enjoy the lusty singing by these candidates.

A pep meeting in the gymnasium furnishes the students an opportunity to show true school spirit.

into the Deep Tones of an Autumn School Day

No matter what the occasion, students always find time for refreshments.

Shelia Newsome, Barbara Koontz, Keith Charles, and Craig Hinkle believe the sun can cause smiles even on a Monday morning.

Linda Essick, selling the KNIGHT NEWS, adds variety to a routine day at school.

Rousing the school citizenry by captivating posters is done by Stokes Hege, Jeff Tuttle, and Paula Swain.

Dedication

Mr. Don Palmer is a genuine teacher and a perceptive coach. His character reveals the power of example, the virtue of patience, the dignity of simplicity, and the success of perseverance. His contribution to North Davidson can be measured not only by his numerous winning teams and a splendid array of trophies, but also by less known, but equally outstanding, deeds of service for the students and also for the teachers. We are proud to have Mr. Don Palmer at North Davidson High School.

Our Co-ordinators

The faculty, students, and administration often look to Mr. Teal for guidance. Ready to render his services at any time, he is always available if they need his help.

Mr. Teal and Phil are often confronted with many problems. Together, they try to help the students in any way they can. They are constantly striving for better school life.

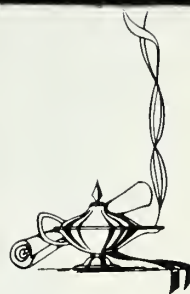

Phil Berrier daily performs many services to the students of North Davidson. Along with serving as President of the student body, he presides over the assembly programs and is in charge of the concession stand at break and at basketball games.

Teachers Caught in Rare

Poses—Without Students

Curriculum

"Among the purposes of a society should be, to try to arrange for a continuous supply of work at all times and seasons."

Pope Leo XIII

Each student has a great desire to be successful in his life's work. Even though he may occasionally stray from his objective, he is continually absorbing the culture of past civilizations and profiting from their successes and failures. The curriculum is so designed to meet the needs of individual students and to train them to be useful members of society. The North Davidson High School student can satisfy his interests and prepare himself for college, business, or industry.

Dramatics is a course which gives the student a chance to perform.

All Strived to Perfect "The King's English"

Every student is helped to develop skill in clear thinking, effective communication, and correct usage of the 'King's English' through the effective teaching that is portrayed in the English department at North Davidson High School. The importance of correct punctuation, sentence structure, spelling, and composition are aimed to meet the needs of each student.

North Davidson offered an English V course to the Seniors who were enrolled in the college curriculum. The literary styles of authors and advanced composition were studied in detail. Students were taught on an advanced high school level, so as to better prepare them for college work. Members of the journalism class learned the formats necessary for publication of the KNIGHT NEWS. North Davidson is very proud of the English curriculum it offers the students.

and Communicate in French and Spanish

The study of French is an integration of linguistic skills, cultural knowledge, and attitudes of understanding and appreciation of other people. The principal objective is communication. Students taking French are encouraged to study the language at least three years, and preferably four. French was offered to Freshmen for the first time this year.

It is the basic intent of the Spanish department to teach oral communication based on sequential, useful, and everyday level situations with the aid of a new approach in the program LA FAMILIA FERNANDEZ, which consists of movies, tape recordings, filmstrips, and two texts developed by Dr. John Oller in collaboration with the Department of Education of the Republic of Mexico. Through varied oral and written exercises the language is made a part of the student's experience.

Excellent Math and Science Courses

Math Teachers--
Mr. Alexander
Mr. Gathings
Mr. Hilton
Mr. Snider

All of the mathematical terms have a special meaning for the students who enrolled in a mathematics class. Students struggled diligently through algebra, plane and solid geometry, and general maths, but only the most industrious tackled the mathematical unknowns of advanced algebra and trigonometry. Students soon discovered that you never enter Mr. Alexander's class without a slide rule.

Most sophomores find themselves in a geometry class for one hour each day.

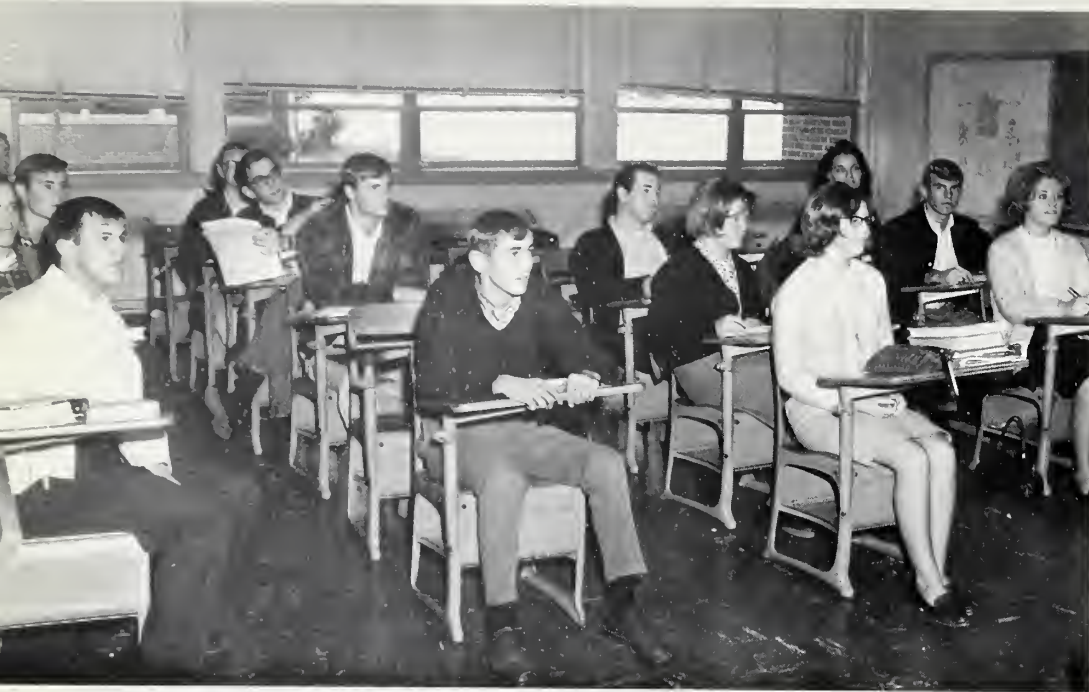

Developed Future Physicists and Engineers

North Davidson High School students now living in an age of atomic power and space explorations are preparing themselves for life in a highly motivated scientific world. Taking nothing for granted, they have tested theories by experiment and observation. They have realized the significance of science in daily living and thus challenged the field of physical science, chemistry, biology, physics, and advanced biology.

The regular classes in civics, geography, economics and sociology, United States history, and World history have taken the students on many informative, interesting, and imaginary trips to the far corners of the earth. Through the mediums of books, newspapers, map construction, projects, radios, televisions, panel discussions and debating, the past has been explored and a glance into the future has been taken.

Business
Teachers--
Miss D. Bowers

Miss Barney

Realizing the importance of skillful training, many students took advantage of the business education courses at North Davidson High School. Typewriting, bookkeeping, shorthand, and office practice trained students for future efficiency in the business world. Several students gained experience in secretarial work by serving as teacher and office assistants.

Girls found a "home-away-from-home" in the home economics department at North Davidson High School. The curriculum included sewing and clothing care, cooking and food nutrition, personality development, parent-child relationships, child care, and home management. Through the development of practical homemaking units, the students learned to plan and work cooperatively, to get along with people of their own age, and to solve both personal and homemaking problems.

Mr. Tucker

Many boys took advantage of the vocational training courses offered in the curriculum at North Davidson High School. These courses adequately prepared them for future vocations. In the agricultural department, boys were trained for scientific farming and for farm management. Classes were held in maintenance of farm machinery, woodworking, and the industrial arts. Shop students constructed many useful products as well as learned the care and proper use of tools.

Girls and Boys Benefited Greatly in Sports- manship from Their Physical Education Courses

"To have striven, to have made an effort, to have been true to certain ideals--this alone is worth the struggle."

Sir William Osler

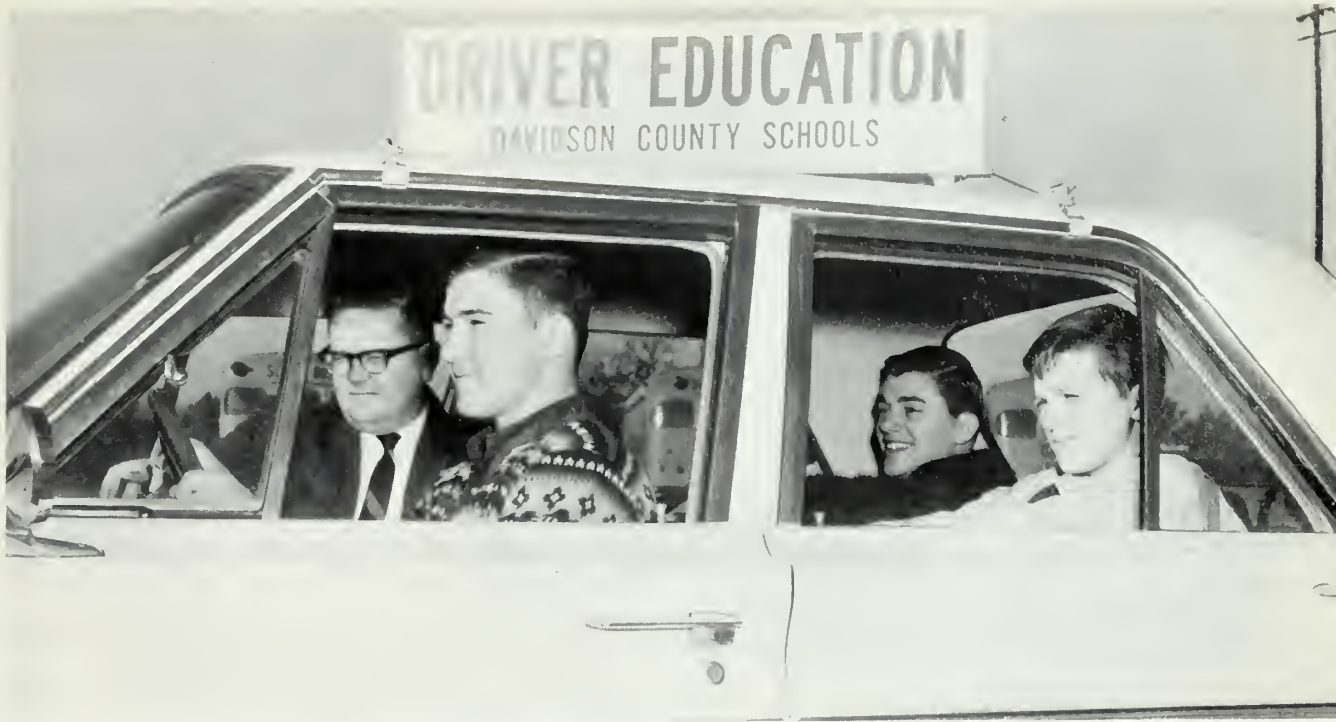

This quote is most fitting for the physical education department since it emphasizes the necessity of fair play, good sportsmanship, the fundamentals of health and hygiene, and physical fitness. Through participation in individual and team activities, muscular skills and body co-ordinations have been developed.

Licenses Were Rewards for Drivers Training

Mr. Spivey poses beside his car before he begins a busy day.

One of the most popular courses at North Davidson High School was driver training taught by Mr. Carroll Spivey. Sponsored by the state of North Carolina, the course consisted of thirty hours of classroom study and six hours of driving for each student.

The course began with a study of the automobile itself and other important safety rules. The much-anticipated driving period taught students driving technique, smooth starting and stopping, parking, turning, and driving on busy highways. After passing the state test, the student received the coveted license.

Classes

A man is no better than his word; a school is no better than its constituents. Divided into four classes, these 825 students were the foundation for every activity of North Davidson High School. Determined to become an integral part of life in the school, the ambitious freshmen got a head start to success with the honor of being the largest freshman class to enter these portals. The sophomores balanced their program with participation in clubs, in sports, in music, and with distinction in scholarship.

With a year of orientation behind them, they proved that they could compete successfully with the upper classmen. The juniors, too, enjoyed a year of activity, highlighted by a successful magazine sale and the big Junior-Senior prom, which was dedicated to the seniors. The seniors polished their last year at North Davidson High School with many special events of their own, including a unique mascot contest and the purchasing of their class rings, symbols of achievement. The climax of twelve years of accomplishment for each senior was triumphant graduation.

Mike Stewart and Billy Bemisderfer discover that teaching a class during the absence of the teacher can be challenging.

Initiation of Juniors into the Monogram Club brings out the humorous nature of Homer Parker, Tex Leonard, Mikie Robbins, and Steve Hunter.

Christy Huffman, John Hutchens, Lomane Davis, Thom Hege, Judy Leonard, and Greg Berrier performed many mathematical calculations to enable the magazine sale to balance.

Sophomores

English drills, geometric figures, and foreign languages will be remembered by the sophomores as a part of their busy year. During a meeting in the fall of the year, Glenn Craver - President, Jeff Koonts - Vice President, Sally Link - Secre-

tary, and Rena Funderburk - Treasurer were elected by their fellow classmates to guide them in their sophomore activities. As the year drew to a close, the sophomores had made their footprints a little deeper in school life.

Sophomores take part in many phases of school life. The Jayvee Cheerleaders prepare to cheer their classmates on to victory.

Sophomore Jeff Tuttle does his share of work in preparing for the annual Homecoming Dance.

Freshmen

As new comers to North Davidson High School, the freshmen felt a bit out of place for a while; however, as the weeks passed, they became familiar with the crowded halls, tardy examinations. Those elected to student body at North Davidson were Steve Evans, president; Ann Conrad, vice-

president; Kathy Smith, secretary; and Scotty Dellinger, treasurer. The freshman class, having the distinction of being the largest class of its kind to enter North Davidson, made many lasting and favorable friendships and impressions on those around them.

Organizations

Organizations and clubs supplemented the curriculum and provided an outlet for the enthusiastic spirit of North Davidson High. Each extracurricular activity, in its own way, aided in the development of students, by providing opportunities for leadership and service. As the governing body of the school, the Stu-

dent Council furnished training in citizenship, while the Knight News and Nordahi duties provided training in various phases of publication. All clubs worked toward a common goal, and at the same time rendered a valuable service to the school.

Governs School Life

The 1965-66 Student Council of North Davidson High School reiterated its aims to create and maintain high standards of citizenship and scholarship, to provide opportunity for closer student and faculty cooperation, to increase the interest of the students in school by participation and attendance in the school function,

to provide opportunity for student participation in the management of school affairs, to provide opportunity for students to initiate and promote activities which may deem worthy, and to insure a spirit of democracy. To carry out these ideals, the Council sponsored the Homecoming Dance and the Valentine Dance.

Knight News, a product of the Journalism department, is published every two weeks. The newspaper is a vital part of the school's life. It not only keeps the students informed about school activities, but also acts as a unifying agent, keeping patrons, communities, and other schools informed of the events of North Davidson.

Staff members not only contribute their study halls to helping with the production of the paper, but often stay after school, or come early to see that the paper gets out on time.

Athletics

Don Palmer
Athletic Director

Colorful sports events, highlighting every season of the school year, provided North Davidson High School students with an exciting and varied program. Football games drew fans to the stadium to cheer the team on to the 2-A Regional Championship Playoffs. After football season had ended, basketball turned the attention of the Black Knight fans to the skillful playing on the hardwood. In the spring, baseball and track claimed the attention of the students. Sports played a vital part in the "four colorful years" at North Davidson High School.

Offensive Team

N.D.--40 Northwest Guilford--7.

North Davidson opened its 1965 football season with an impressive victory over Northwest Guilford. Saintsing led the victory romp by scoring three touchdowns. End D. Wagner caught two touchdown passes, and K. Wagner completed six passes for 97 yards. The Black Knights, led by Everhart, Saintsing, and Lester rolled up 221 yards rushing.

N.D.--0 Lexington--27.

The football team tasted defeat as they traveled to Lexington for the second game of the season. H. Truluck and B. Shoaf played a fine defensive game, allowing Lexington only eight pass completions. North, however, playing without two of their starters, found the going rough, losing 27-0.

N.D.--13 Denton--6.

A triumphant ending to the Homecoming festivities was the 13-6 victory over Denton. Quarterback M. Stewart and defensive tackles J. Oman and H. Parker played a large part in gaining our first conference victory.

N.D.--26 East Davidson--0.

Sparked by L. Everhart, Saintsing, and the Wagner twins, the Black Knights trounced East Davidson 26-0. Again, the defense was very stingy, allowing only 44 yards rushing.

N.D.--43 Randleman--0.

The Black Knights rolled up an important victory over Randleman, winning 43-0. Seniors L. Everhart and D. Wagner led the high-scoring offense, and senior linebacker P. Berrier played an outstanding defensive game.

N.D.--45 Trinity--6.

The Black Knights continued to play a good brand of football as they defeated another conference foe, Trinity, 45-6. G. Saintsing led the offense with five touchdowns. Offensive linemen R. Beck, and S. Hodges blocked well to enable the offense to gain more than 300 yards.

1965 Football

N.D.--19 West Forsyth--13.

The North Davidson High School Black Knight football team gave one of their best performances of the season as they bumped off 4-A West Forsyth, 19 - 13. Offensive standouts were G. Saintsing, who gained an amazing 150 yards in eleven carries, and the Wagner twins, who scored twice on pass plays. The defensive effort was led by tackle Jimmy Oman.

N.D.--35 Central Davidson--12.

North Davidson 4-0, met Central Davidson, 5-0, in the game of the year. The Black Knights came from behind and surged to an impressive 35-12 victory. Saintsing, P. Berrier, the Wagner twins, and S. Walker, all turned in fine individual performances which helped in containing the Spartans.

N.D.--41 West Davidson--20.

North Davidson assured itself of at least a tie for first place when they defeated the Green Dragons. G. Saintsing scored three touchdowns, and R. Lester, M. Robbins, and D. Wagner scored one touchdown each to booster the win.

N.D.--23 Ledford--0.

The Black Knights ended their conference season by defeating the Panthers of Ledford. Touchdowns by G. Saintsing, L. Everhart, and D. Wagner, who also added a field goal, provided the necessary points for the victory. Defensive ends, J. Tuttle and B. Bemisderfer, helped shut out the Panthers.

N.D.--44 Winecoff--13.

The North Davidson gridiron was the setting for the 1965 district playoff. Determination for victory and team effort spirited the Knight's victory. Linemen R. Sink, and J. Wagner played well on offense to defeat Winecoff for the district crown.

N.D.--7 Surry Central--13.

Surry Central played host to the Black Knights for the 2-A regional championship game. North scored first on a pass from K. Wagner to Saintsing. Surry Central came back strong with two touchdowns to win the regional championship.

Services

Many persons give of their time and effort so that the work of the school might operate more smoothly. Many of them are student helpers who have gained experience and much pleasure.

The Student Council officers, all class and club officers, and the staff members of both publications, the KNIGHT NEWS and the NOR-DAHI, are foremost among the student helpers.

Still others render a valuable service to the school. Among these are the office staff, teacher assistants, custodians of the flags, projection staff, library assistants, and the bus drivers. The substitute teachers and the presidents of the band and athletic boosters'

clubs are adults who give of their time to serve the N. D. students.

The group photographer and the individuals who permit us to use their homes for photography helped the N. D. student body in every possible way.

Paid employees likewise perform many services that contribute to the comfort and enjoyment of school life. These behind-the-scenes people work to keep the building clean and comfortable and to insure the smooth operation of the entire school plant.

In no matter what capacity, each individual makes the year successful.

We Are Grateful . . .

Many thanks are extended to Mr. Joe Hinkle for the excellent photography of this book.

"To get a name can happen to few--it is one of the few things that cannot be bought. It is the free gift of mankind which must be deserved before it will be granted, and is at last unwillingly bestowed."

Samuel Johnson

"'Tis an old maxim in the schools,
That flattery's the food of fools:
Yet now and then your men of wit
Will condescend to take a bit."

Jonathan Swift

Outstanding features of the school year--the selection of Miss North Davidson, the crowning of a Valentine King and Queen and the presentation of a Court, the production of the "Crucible", Twirp Days, and numerous other school activities--served to illustrate a bit of

the typical school life at N.D.H.S. These happenings provided much of the humor and fun that made school life amusing and exciting. Memories of these events--beautiful or inspiring, amusing or hilarious--will linger long after other dates have been forgotten.

Twirp Days were observed for the first time at North Davidson this year. This event was sponsored by the Pep Club and the entire student body was asked to participate. On Friday, during the Pep Assembly, the Twirp King and Queen were announced.

Miss North Davidson

Exhibiting all the characteristics of a dainty beauty, Miss Ruth Ann Wooten captured the hearts of the student body and was selected Miss North Davidson. She was a runner-up in the Miss Veterans' Day Contest, and represented her school well in the various other pageants.

"Love Makes the World Go 'Round"

On February 12, 1966, the North Davidson Student Council sponsored the annual Valentine Dance in the school gymnasium. The theme "Love Makes the World Go 'Round'" was beautifully carried out in the decorations. The Challenger's Combo provided the music for the enchanted evening. The big event of the night was the crowning of the Valentine King and Queen and the presentation of the Valentine Court.

The student council members spent a busy day at school on Saturday decorating for the dance.

The Black Masque Presents

Superstition is usually a light and harmless subject, but in excess it can be a dangerous motivation that drives men in the village of Salem, Massachusetts, to commit foolish acts. Neighbor turned against neighbor as the BLACK MASQUE of North Davidson High School, under the direction of Mr. Charles Hales, presented the "Crucible".

Arthur Miller's "The Crucible" . . .

Accusations were made.

Those Who Excelled . . .

Judy Leonard

Judy Leonard was one of a select few who had the opportunity to attend the North Carolina Governor's School at Winston-Salem, North Carolina during the summer of 1965. The selection was based on academic achievement.

Linda Joyner

Linda Joyner served as a Page in the North Carolina State Senate at Raleigh, North Carolina, last June 7-11, 1965. Linda served under Senator Joe Sink of Lexington, who also selected her for the honor.

Mike Surratt

Mike Surratt accepted an invitation to attend the North Carolina School of Performing Arts at Winston-Salem, North Carolina, during the 1965-1966 school year. Mike, who excels in the field of music, studies the regular high school curriculum in addition to piano and organ.

In Retrospect 1964-65

Each year several outstanding functions occur after the Nordahi is sent to the publishers. We believe the student body of North Davidson High School will appreciate our including a pictorial review of a few of these highlights which took place in the spring of 1965.

Because of its great success, this production will long be remembered as one of the greatest in North Davidson's history. This success was accomplished through the efforts of the Lexington Men of Song and the dedicated participants.

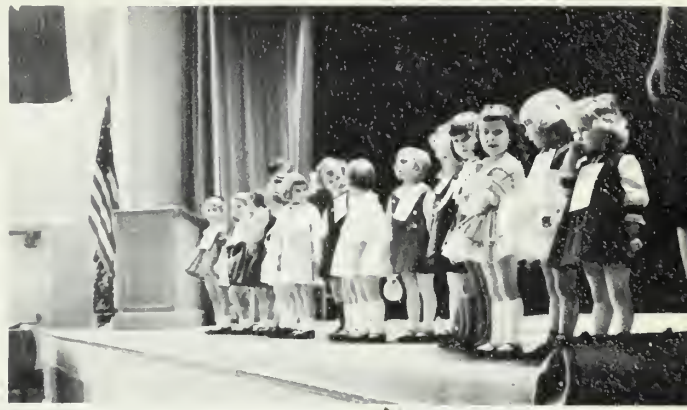

Student Life

There were numerous events that made the 1965-1966 school year at North Davidson High School so wonderfully special. In the student life section, we have tried to depict many of these happenings. Through these pictures, it is hoped that all of these and many more moments of your North Davidson High School activities will long be remembered.

LETTER FROM THE EDITOR

How difficult it is for me to realize the year is almost over and the 1966 NORDAHI is finished! At times I almost lost my mind when I counted the pictures to be taken, and the captions and copy to be written, not to mention all those last minute changes; however, at last it is in your hands.

The innumerable hours I have spent were symbolic of you as well as of my effort, determination, and defeat. In spite of all the problems and hard work, I loved every moment of this challenging task.

Classmates, I appreciate your electing me as editor, thereby expressing your confidence in my ability. I have learned so much from serving in this capacity. I wish that more people could share the joys and heartaches I have experienced as editor.

Mrs. Hinkle, thank you for the guidance you have so ably given, and especially for your sincere interest.

Mr. Teal, I am grateful indeed for your patience and understanding.

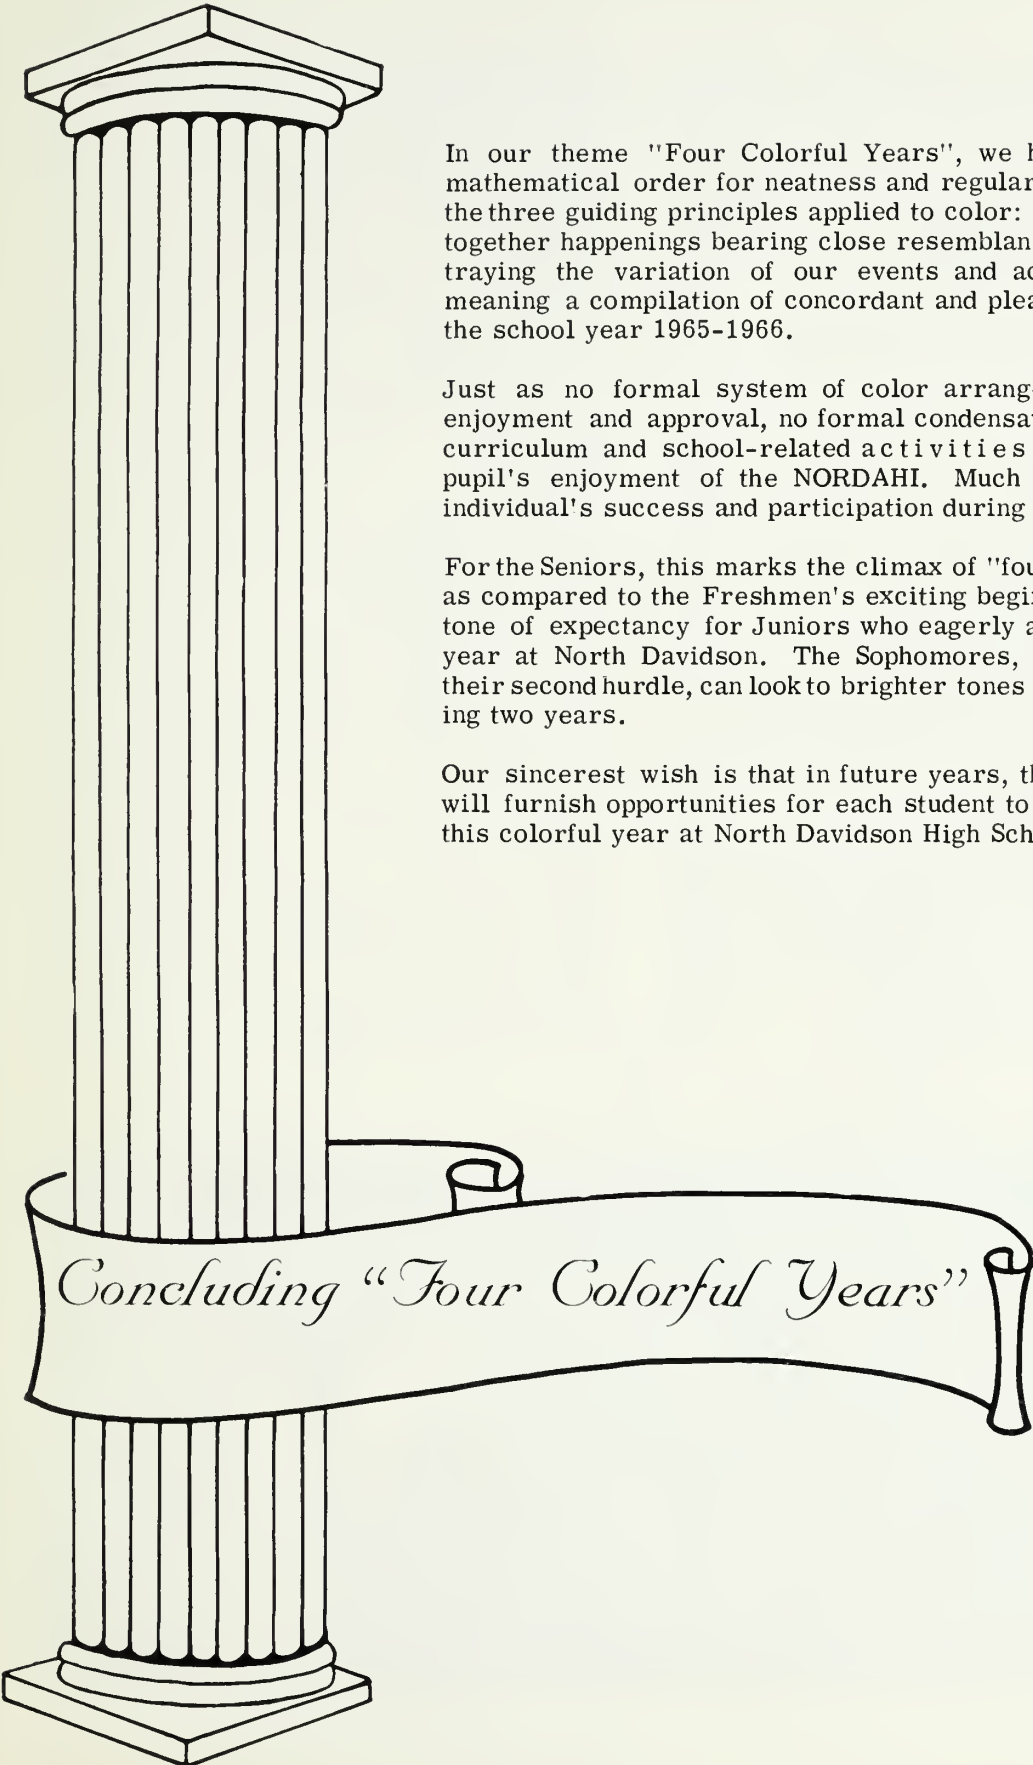

Faculty members, you were wonderful to tolerate the classroom interruptions.

My deepest gratitude is extended to the following: Mr. Herb Eaton, Mrs. Jaxie Simmons, Mr. Hinkle (Joe), Mr. and Mrs. Harold Lanier, Dr. and Mrs. V. C. Lanier, and School Pictures, Incorporated.

Thank you, Mother and Daddy, and all my loving friends for giving me hope and encouragement when the going really got rough.

Editing the 1966 NORDAHI has been fun. Perhaps you cannot realize what it really meant to me. My fondest wish is that this yearbook deserves your approval and that you will have as much enjoyment reminiscing through the 1966 NORDAHI as I have had as its editor.

Harriette

In our theme "Four Colorful Years", we have attempted in mathematical order for neatness and regularity to incorporate the three guiding principles applied to color: analogy, bringing together happenings bearing close resemblance; contrast, portraying the variation of our events and activities; balance, meaning a compilation of concordant and pleasing sidelights of the school year 1965-1966.

Just as no formal system of color arrangement can insure enjoyment and approval, no formal condensation of this year's curriculum and school-related activities can insure every pupil's enjoyment of the NORDAHI. Much depends upon the individual's success and participation during the year.

For the Seniors, this marks the climax of "four colorful years" as compared to the Freshmen's exciting beginning. There is a tone of expectancy for Juniors who eagerly anticipate a fourth year at North Davidson. The Sophomores, having completed their second hurdle, can look to brighter tones for their remaining two years.

Our sincerest wish is that in future years, the 1966 NORDAHI will furnish opportunities for each student to remember fondly this colorful year at North Davidson High School.

Concluding "Four Colorful Years"
